

Schinelli Appointed By WMEC As Manager

The appointment of L. John Schinelli of Agawam as Manager, Springfield, of the Western Mass. Electric Company was announced today by Vice President Wesley L. Mitchell. The appointment is effective June 1.

Mr. Schinelli, who has been assistant manager of the Springfield office since November 1, 1966, will succeed Richard T. Lovett, who has retired.

The new Springfield manager, who had served as residential sales manager for almost 10 years, was one of the participants in the Western Mass. Electric Company sales program, begun in 1957, which made the electric company a national leader in the electric heating field, and in the area of rental hot water equipment.

The Springfield office which he now heads as manager includes the communities of Springfield, West Springfield, Agawam, Ludlow, Longmeadow, Southwick, Granville and Tolland.

A graduate of Agawam High School, Mr. Schinelli graduated from Springfield College in 1942, receiving a BS degree in health and physical education. While at Springfield College he participated in football and track.

For two years, from 1943 to 1945, Mr. Schinelli was a coach and teacher at Agawam High School, and he was with the New England Mutual Life Insurance Company from 1945 to 1947, the year in which he joined Western Mass. Electric Company. Mr. Schinelli became a sales representative in 1950 and was promoted to residential sales manager, January 1, 1957.

Mr. Schinelli, who has attended utility management courses at the University of Michigan, is a former member of the sales promotion committee of the Edison Electric Institute, has served on several committees of the Electric Council of New England, is a member and former director of the Home Builders Association of Greater Springfield, is a director of the Agawam Lettermen's Club, and is a member of the Agawam Lions Club and the Joint Civic Agencies of Greater Springfield.

Mr. Schinelli and his wife, the former Margaret Elmer of Greenfield, have two daughters: Judith and Janice.

MEMORIAL DAY MOTORING TIPS

BOSTON — Memorial Day motoring can be safer and more pleasurable by following a few simple tips, the Automobile Legal Association said today.

Philip C. Wallwork, ALA safety director, noted that Memorial Day marks the happy beginning of New England's tourist season but "for far too many families it will be a day of sadness following an auto accident."

Wallwork advised motorists: Avoid trying to cover too much distance in your allotted travel time.

Treat other drivers with the respect that you would like from them.

Devote full attention to your driving and leave the sight-seeing to your passengers.

Make sure that you and your car are both in tip-top driving condition.

When, and if, you become stuck in a traffic jam, make a conscious effort to keep cool; there'll be better days ahead.

The Agawam Democratic Women's Club Installation

The Agawam Democratic Women's Club will hold its annual installation banquet at Betty's Towne House on June 6th. At this time two seasons' passes to Storowton Music Fair will be awarded to some lucky person; also various other prizes will be given. Award books are being distributed and may be obtained from any member of the Club. Anyone holding Award books please contact Mrs. Muriel Meunier, 151 River Road, Agawam, Mass. Tel. 739-6381, as soon as possible.

Beware The Utopian Seekers

V. R. Moreno

Yes, we need people to yell "Make Agawam Perfect," but only as a reminder — a stimulant — (and no more). A sleepy community or worse, a town resistant to any change . . . will need some kind of prophet to proclaim for it the goals it seeks . . . it is the only way to perfection.

With a town like Agawam which is actually moving ahead . . . and is picking its way painfully . . . towards desirable goals . . . it must listen carefully to those who represent progress. The Town of Agawam cannot afford to listen to those seeking "Utopia" . . . wide-eyed visionaries (of which Agawam has its share) who argue about perfection that may be found over the next mountain but will not be much help in getting Agawam up the next slope.

Agawam is now at a crossroads of its history and must have direction not yacking at its leaders seeking perfection . . . this will only add confusion and distraction . . . nothing constructive.

It is easy to attack an office holder for he is an easy mark . . . no matter what he does . . . it is always possible to have exceptions and demands as long as the town has not been made perfect.

Those who keep demanding perfection of its leaders are unable to tell the difference between better or worse. The fantasies of the Utopian seekers divert the people from the less glamorous immediate gains. The gains that have come by diligent battle with the perfection seekers whose thoughts are over the "next mountain" looking for something — futile —.

The most pathetic Utopian wisher is a leader or office holder that has been nurtured by a pathetic fear of people and their demands. This type of holder of an office is lacking in courage, moral fiber. He CAN NOT MAKE a decision. . . he will NOT MAKE a decision . . . he must go to the several Utopian seekers for advice who will keep him . . . on the other side of the mountain. Five or six Utopian grippers at a meeting of officials who must make a judgement . . . will usually put the fear of political death in the mind of the official that is lacking in moral fiber. A handful of people is all it takes to slow down progress . . . yes, even stop it. A handful of people as opposed to the whole town's population of 20,000.

Our contention is the man in the street is dependent on progress . . . services . . . and future thinking . . . from the individuals appointed and or elected. The public in a town such as Agawam must expect some decisions from the office holders that may not sit well with the handful of "perfection seekers." It is obvious to us and should be to the office holder that if the great John Q. Public did not agree with their (the officials) decisions they would present themselves in great numbers.

W. Mass. Electric To Select Three Students For National Youth Conference

Western Mass. Electric Co. will send three high school science students and their teachers to the 1967 National Youth Conference on the Atom in Chicago, November 30 through December 2, Charles R. Dunklee, the company's community relations coordinator announced today.

This will be the ninth consecutive year that Western Mass. Electric has joined with 65 other investor-owned electric utilities and other organizations in the sponsorship of the conference. This year's conference is expected to attract 700 persons from all parts of the United States including some 400 high school students chosen for their interest and excellence in science.

Mr. Dunklee said the company will request superintendents of schools and other school officials in Western Massachusetts to submit nominees for the conference early in September, and the selection of the three students to attend will be made in October.

In addition to the three who will be selected from among the high schools, the conference will be attended this year by Gary St. Peter, who will begin his senior

year at Technical High School in September. Gary, the son of Mrs. Ernest St. Peter of 14 Voltage Avenue, Ludlow, won the Chicago conference trip with his prize-winning entry in the second annual Western Massachusetts Regional Science Fair at Westfield State College in April.

That prize was sponsored by Western Mass. Electric Co., the Holyoke Water Company, and the Massachusetts Electric Company.

The purpose of the National Youth Conference on the Atom is to present to a group of the nation's most gifted high school science students and teachers an authoritative and inspiring picture of the promise of the peaceful atom in its various applications, and to help advance interest in the study of science in the United States.

A feature of this year's conference will be participation in the University of Chicago's 25th anniversary celebration of the first nuclear chain reaction, including the dedication of the Henry Moore sculpture, "Nuclear Energy," on December 2 on the uni-

In a telegram from Springfield Congressman Edward P. Boland and Senator Edward M. (Ted) Kennedy, WNEC officials were notified that the amount requested under this Act had been approved by the Department of Health, Education, and Welfare's Office of Education in Washington, D.C.

According to Dr. Herman, the \$19,899 will be used for acquisition of equipment to improve undergraduate instruction in the biological, physical, and social sciences, engineering, foreign languages, history, English, and for campus-wide general use.

The applications were prepared in January by Leon D. Chapin, executive vice president and treasurer of WNEC, and Dr. Robert L. Campbell, academic vice president and Dean of the School of Arts and Sciences.

MEMORIAL DAY

Memorial Day is just around the corner and we hope all flags in our community will be flying at half mast on that morning in honor of our boys who, through the years, have made the great sacrifice to preserve our liberty.

At the close of the civil war, a group of women in Columbus, Mississippi, honored both Confederate and Union dead by placing flowers on their graves. When the news of this act of compassion reached the north, it helped to heal the recent wounds the young nation had suffered.

The greatest impetus for setting aside the holiday which has become known as Memorial Day or Decoration Day was given in 1868 by General John A. Logan, national commander of the Grand Army of the Republic. He issued his historic order to all chapters to set aside May 30 as a day for decorating the graves of all the heroic dead.

This year, in Agawam, Memorial Services will be held at St. David's Episcopal Church at 10 o'clock, Sunday morning, May 28th, to which all veteran organizations are invited. Wilson-Thompson American Legion Post, its Auxiliary Unit, the Sons of the Legion, and the Auxiliary Juniors will meet at the Legion Home at 9:45 to attend as a body.

Services and decoration will be held on Memorial Day at 9 a.m. at the Agawam Center Cemetery and the Springfield Street Cemetery. Veterans and Auxiliary members are asked to attend the service nearest them.
